

FRIENDS OF OXENHOPE *Rose Garden*

UPDATE FROM THE FRIENDS OF THE ROSE GARDEN

"If you missed previous detail in Outreach etc., the Parish Council is taking over responsibility for the Rose Garden from Bradford Council.

The Friends Group will make recommendations on works and will volunteer to assist with maintenance. You'll have seen the shrubs have been removed from the beds and volunteers have been working really hard on preparing the beds for planting of grass and wildflower seeds.

It's hoped that lower level planting will open up the garden and reduce anti social behaviour. The Friends hope to plant some roses in the central beds in due course.

If you want to get involved let us know. Everyone welcome. Donations of plants etc. also appreciated."

OPEN MEETING

at West Drive Methodist Church on Wednesday 4th July 2018 at 7.30pm

EVERYONE WELCOME

YOU CAN ALSO REGISTER YOUR INTEREST AND FOR UPDATES BY VISITING:

www.oxenhopeparishcouncil.gov.uk/parish-council-news/rose-garden-news/

Also, the Friends are wondering if there's any interest in an "Incredible Edible" type project.

There's a large plot in the top right hand corner of the garden that could lend itself to such use.

Is there any interest in a community veg garden in Oxenhope? Please let us know.
